## Please note:

8<sup>th</sup> grade teachers strongly suggest students use an agenda of some sort to record their homework assignments. Whether a student uses a paper or electronic version, it is imperative to use it daily.

## Additional note:

The 8<sup>th</sup> grade team strongly suggests that students print their work at home whenever possible. There are times when printing at school can cause students to be late to class and/or miss instructional time.

## Library Card:

All Weston Middle School students should have a Minuteman Library Card. Library cards must be obtained in person, accompanied by a parent, with proof of residency, from any Minuteman Library. The Weston Public Library is a member of the Minuteman Network.

Thank you,  
The 8<sup>th</sup> Grade Team
