

SCHOOL BUILDING ADMINISTRATION

Building principals shall act as the chief administrative officers for their own school buildings and grounds. They shall be responsible for and shall have authority over the actions of their students, professional and support staff employees, visitors, and persons hired to perform special tasks. Unless otherwise specified in the approved terms of non-school use of school facilities, principals, by their approval of applications for such use, exercise authority over their buildings and grounds during such use.

All Principals shall keep the Superintendent informed of activities in their buildings by whatever means they and the Superintendent deem appropriate.
