

ANNUAL REPORTS

As required by law, the Superintendent shall cause the preparation of an annual report covering finances and general conditions of the school system, which report shall be subject to the review and approval of the School Committee.

The Superintendent shall annually file such reports as may be required by the Commissioner of Elementary and Secondary Education, including enrollments, census of school attending children, financial reports, staffing information, student attendance and performance, and other data which may from time to time be requested by the State Board of Education.
