

TRAFFIC AND PARKING ON SCHOOL AND RECREATION PROPERTY

The School Committee and Recreation Commission (the Boards) are charged with the care, custody and control of all school and recreation real property, respectively, including the buildings and grounds. Therefore, said Boards have agreed to prescribe joint parking regulations to ensure the efficient use of school and recreation property and the safety and convenience of both vehicular and pedestrian traffic on such property, and to provide for the enforcement of such regulations.

Adopted November 21, 2011
