

EMERGENCY STUDENT BUS DISCIPLINE PROCEDURE

A driver may take or return a student(s) to an appropriate official (Principal, teacher, police officer, fire station, town official, METCO official, etc.) after an act in which, in the driver's judgment, the safety of others or of the vehicle has been jeopardized. The driver will make every effort to notify the appropriate school official, who in turn, will contact the student(s) parents to have them arrange to transport the student home. Appropriate officials for each school are set forth below:

High School: Principal, Assistant Principal, METCO Director, METCO Liaison

Middle School: Principal, Assistant Principal, METCO Director, METCO Liaison

Elementary Schools Principal, METCO Director, METCO Liaison

The Transportation Director must be notified immediately by the driver after school officials have been contacted.
