Is it Broken? Wobbly?

If you have broken equipment or furniture in your classroom, please e-mail your Head Custodian and Principal with the room number and a description of broken item. The custodians will try to repair the items. If they are unable to fix the item, the custodian will let the Principal know. The Principal can decide if a replacement should be ordered over the summer.

Clean Spaces

Please take the time to de-clutter your classrooms. Please pack up belongings so custodians do not accidentally toss out important curriculum materials. Each summer, the custodians clean out every space, strip and wax the floors. To do this, everything must be removed from the classroom or put on shelving off the floor. To ensure no materials are damaged during this process, please take the time to clean up your space.

Please thank your custodians in advance for the work they do over the summer to prepare the buildings for another school year.

On a personal note...

It has been a pleasure to serve the Town of Weston with you as my colleagues. Over the past 12 years, I have had the opportunity to observe and volunteer in your classrooms, attend plays and sporting events, work through challenges and celebrate successes. You are what makes Weston a truly wonderful place to work.

In particular, I would like to thank the Business Office staff. You have made me laugh more often than I can count. Your hard work and dedication is often invisible to the greater community - but not to me. Thank you!

Best of luck to all of you. Enjoy a restful summer.
