

CASH AND PERSONAL PROPERTY IN SCHOOL BUILDINGS AND GROUNDS

No money (cash) shall be kept overnight in schools except in a locked depository that the Principal has made available for the purpose.

In the event that money and/or personal valuables are stolen from desks or cabinets or elsewhere in the school buildings, or personal property such as clothing and equipment is damaged or stolen, the School Committee cannot be held liable for the loss. Only Town or School Activity funds left in the designated depository are insured and loss recovery may be subject to deductibles and other conditions managed through the Town's insurance program.
