

High School

School: Weston High School
Principal: Paul Peri
Asst. Principal: Kelly Flynn
Grade: Grade 9 through Grade 12
Address: 444 Wellesley Street
Weston MA 02493

PH: 781-786-5800
Fax: 781-786-5829

Weston High School offers its students a comprehensive and diversified program. Academic courses range from college preparatory to more advanced levels. Honors courses are offered in English, Mathematics, World History, World Languages, and Science, while specific Advanced Placement (AP) subjects include Biology, Calculus (AB and BC), Chemistry, Chinese, Computer Science, English Literature, French, Latin, Music Theory, Spanish, European, U.S. History and World History, Physics, Psychology, Statistics, and Studio Art. Students generally take at least five major academic subjects each semester in addition to courses in wellness, visual or performing arts, business, cooking and/or an additional academic elective. Through this wide range of course offerings, course levels, and electives, students can craft a four-year experience that meets their specific needs and aligns with their interests and passions.

To enhance their formal learning, many students participate in extensions of their coursework through a range of opportunities. These include community service which, while not required, is supported, and recognized by the High School. Students can also propose and pursue an independent study on a topic of personal interest, and the high school's teachers provide guidance and support by acting as advisors and meeting regularly one on one. Counselors in the Guidance Department provide a broad range of personal counseling and college placement services. Most students participate in after-school activities, with athletics, theater, and music being the most popular. Among the special facilities available to students are a library with more than 20,000 books, videos and audio tapes, and extensive on-line database; a modern world language laboratory; choral and instrument rooms; a dance studio; and a physical fitness and weight room. An indoor swimming pool and a synthetic surface track are among Weston's athletic facilities.

High School Spotlights:

- June Academy, a teaching and learning collaboration with students and teachers, has proven to be a successful end to the school year.
- In all measures of MCAS, SAT's and ACT's, WHS continues to rank high within Massachusetts and nationally among public schools.
- The Enrichment Center (TEC) supports students in teacher communication, study skills and academic support.
- 98.7% of the Class of 2020 continued their formal education.
- 76% of students taking an Advanced Placement test in the spring of 2020 received a score of 3 or better.
- The Bridge Program offers special education students wrap-around support socially, emotionally, and academically, while the Compass Program offers similar support to general education students who are either transitioning back to school or for whom time-limited supports are warranted.
- The High School has a longstanding student exchange program with high schools in Rombas, France, and Porto Alegre, Brazil, although these programs have been suspended this year and last.

Enrollment History (October 1 Figures):
